4. In the event of equality of points for any three qualifying places the marks gained in Class H2 & H5 by tying competitors will be the deciding factor. Should the tie persist, the collective marks in class H2 & H5 shall be the deciding factor. If the tie persists, the judges will make the final decision.
 - 4.1 The Competitor qualifying in 4th place must be available in case one of the three qualifiers is unable to compete, and will be required to ride a *test ride* for the judges at the beginning of the competition.
5. Each Rider rides his own horse first and thereafter will ride in the following order starting with the lowest qualification combination.

Rider	1-2-3-2-3-1-3-1-2
Horse	1-2-3-1-2-3-1-2-3
6. Each Rider is given three minutes to ride the strange horse before starting the test.
7. In the event of equality of marks for the winning rider the total of the Individual marks given by each Judge in all three tests for the Rider's "position & seat & correct use of aids" shall be the deciding factor. The same procedure shall apply should there be a tie for the winning horse, except that the marks given for "paces" will be the deciding factor.
8. Riders may only ride one horse in Class H3 & H6. Should a Rider qualify more than one horse, the Rider shall have the option to nominate the horse he chooses to ride when paying the Starters Fee.
9. A Horse and Rider combination may not enter the Dressage Derby qualifiers if they do not intend to compete in the Derby if they qualify.
