QUALIFYING
CLASSES FOR NOVICE
TO ADVANCED

There will be two qualifying tests offered in each of these grades. The top **15** qualifying horses will be eligible to compete in the Championship; the remaining horses will automatically ride in the Consolation class for that grade.

The qualification for the championship will be determined by the sum of the points received for the placings in both qualifying tests. Irrespective of the number of competitors in the competition the horse and rider placed first shall receive 20 points, the second 19 points, and the third 18 points and so on. Ties shall be awarded full points. In the event of a tie of the total qualifying points for the 15th place, then all those tying for this place shall be allowed to compete in the Championship. The horse and rider combination must be the same for the qualifying competitions and the Championship.

Novices to Elementary Medium competitors are not compelled to compete in both qualifying competitions but must compete in at least one class unless there are fewer than 15 competitors.

Medium to advanced horses must ride the qualifying classes unless there are less than 15 competitors

Where qualifying competitions are split into more than one pool, all pools must be judged by the same jury. Competitors riding more than 1 horse in the same grade must compete in the same qualifying pool with all his/her horses.

One rider may only ride a maximum of 2 horses in any Championship class - any further qualified horses must ride in the Consolation Class.

In the classes where the team competition is ridden in conjunction with a qualifying or championship class a competitor shall always ride his team entry horse before his individual entry horse or horses should he/she have more than one horse in that class.

QUALIFYING
CLASSES FOR THE
SMALL, MEDIUM
AND BIG TOURS

Should there be more than 15 entries in each/any of the Small, Medium or Big Tour classes, the Qualifier class will determine the 15 top riders to compete in the Championship in each level; the remaining horses will automatically ride in the Consolation class for that level. Competitors are not compelled to compete in the qualifying competition but should there be more than 15 competitors, that competitor will automatically ride in the Consolation Class.

QUALIFYING FOR
PARA-EQUESTRIAN
CLASSES

Should there be more than 15 entries in each/any of the Para-Equestrian grades, the Qualifier class will determine the 15 top riders to compete in the Championship in each grade; the remaining horses will automatically ride in the Consolation class for that grade. Competitors are not compelled to compete in the qualifying competition but should there be more than 15 competitors, that competitor will automatically ride in the Consolation Class for that grade.
