

Dear competitors,

Due to the fact that there is not enough representation across the provinces for the Pony Rider South African Open Equitation Championship at the South African Youth Championships, SAEQA **will not** be running this class as a South African Championship, but will run it as a **Gauteng Championship** equitation class.

The Junior South African Open Equitation Championship **will** run as a **SA Championship** class.

If any rider wishes to scratch from the Pony Rider Open class, they may still do so.

Yours faithfully,

Fiona Butcher

SAEQA – President
