SUBMISSION OF ELECTION MANIFESTO: JERRY SEGWABA: SASCOC

I herewith declare my availability to be elected to become the Vice-President of SASCOC of alternatively to become a member of the Executive of SASCOC.

I have spent my lifetime in sports in the Free State and specifically lately, Rugby, as I am now currently the President of the Free State Rugby Union, member of the Board of Directors of the Free State Cheetahs (Pty.) Ltd. as well a member of the General Council of SARU.

I am not only passionate about sports, but I am also totally committed of the well-being of sports in the Free State as well as in South-Africa, for I fully and truly believe that Sports is a bridge-builder between all the communities of South-Africa.

I have experienced great events in my lifetime with the wonderful privilege to be with the previous President, the late Mr. Nelson Mandela during difficult times during unification.

Apart from that, I worked at the University of the Free State Sports.

As a member of the General Council of SARU, I am deeply involved in the Transformation processes of SARU and I am a member of the Transformation Committee of SARU as well as that of the Free State Rugby Union.

We are all committed to make sports better in the Free State and in South-Africa and I have dedicated a great portion of my life to make a success of this.

I see some challenges in the future for SASCOC, but I also have the experience and the knowledge to contribute to help solve the challenges and create new opportunities for SASCOC in the future.

I will humbly serve SASCOC and sports in South-Africa and I will further on dedicate my life to make the lives and times of people in South-Africa better through sports.

Yours truly

Jerry Segwaba
