EVENT 3: Toyota South African Derby

- A1.50m South African Derby

2. Definitions

- “Event”—The term “Event” is used to refer to each of the three shows: the Toyota Easter Festival, the Toyota World Cup Qualifier, and the Toyota South African Derby.
- “Series” – The term “Series” is used to refer to the overall competition running across the three Events with their eight classes.
- “Classes” – The term “Class” refers to the eight individual A1.50m classes, as outlined above.

3. Qualification and eligibility of horse and rider

- **Entry and Qualification for SA Titles as per SASJ Regulations.**
- The Series is restricted to all horse and rider combinations that qualify and ride in the three Events in a minimum of six of the Classes outlined above. The winner of the Series must take part in the South African Derby Class.

4. Order of starting

As per 1.50m each class or competition rules.

5. Rules

- A rider may have as many horses as allowed in the Event/Class Rules. Points are allocated to each horse and rider combination.
- The winning combination must qualify and compete (go through the start) in the A1.50m SA Derby Class.
- The winner of the entire series will be the combination with the highest total number of points from six out of the eight classes mentioned above. If a combination competes in seven classes, they are allowed a dropped score. If a combination competes in eight classes, they are allowed two dropped scores.

Placing in the Selected Series Class	Points Awarded
1	50
2	47
3	45
4	44
5	43
6	42
7	41
8	40
9	39
10	38
...47	1

- Points are allocated per place as laid out in the table above. The only exception is for the A1.50m SA Derby Class, which has a points rating of 2 times the standard points.
- Combinations who tie are awarded full points for that place e.g. tied 2nd means that the combinations both get 47 points and there will be no points allocated for 3rd place.
- If a combination is leading, but for whatever reason drops out of one of the Events or fails to take part in the 1.50m SA Derby Class then they are out of contention, regardless of their point tally (even if they are the eventual winners on points).
- In the unlikely event of equality in points, the winner will be the combination with the highest placing in the A1.50m SA Derby Class.
- The winner of the KPC Year of the Legend Powered by Toyota will be announced at the Toyota SA Derby where they will be presented with the Toyota Hilux Legend.
- In the event of a dispute not covered by the rules or an ambiguity, Toyota SA has the final decision.

6. Toyota Bonus Award

The Toyota SA Derby winner is guaranteed a bonus award to the value of R50 000 over and above the R100 000 first-place prize.
